

The Bassoon is part of the \_\_\_\_\_ family along with the flute, clarinets, and oboe.

If you could unbend a bassoon it would be \_\_\_ feet long.

Bassoons make a sound by blowing air into a \_\_\_\_\_ and creating a buzzing sound.

The Bassoon is made out of \_\_\_\_\_ and the keys are made out of metal.

In French, the word Bassoon means “Bundle of \_\_\_\_\_”

**Bassoons were invented in the:**
